Subject: Non-Receipt of Banishree Scholarship for the Year 2024-2025 Due to
Account Number Error-reg.

Respected Sir/Madam,

I, Sh.Dhruba Chandra Behera, a Locomotor physically handicapped student pursuing my studies at BMS Degree Mhv., Kandagoda, Brahmagiri, Puri District, Odisha, am writing to inform you that I have not received the Banishree Scholarship for the academic year 2024-25. I had applied for the scholarship with the following details:

- **Application No.:** SSEPD/BNFAPP/BSS/10/31/2024/869742
- **Unique Disability ID No.:** OD0910619860205761
My Aadhar No.829844123866

There was an error in the bank account number provided initially (41483400600810), which was corrected to the accurate account number (414834006008010) Six months ago through the District Social Security Officer (DSSO), Puri. Despite this correction, the scholarship amount has not been credited to my account, causing significant financial difficulties in continuing my education. I kindly request you to investigate this matter urgently and ensure the release of the scholarship amount to the corrected account number at the earliest. Please let me know if any additional documents or clarifications are required from my side to resolve this issue. Thanking you for your kind attention and support.

Yours sincerely,

Dhruba Chandra Behera.
